The Sunday Afternoon Car Klub (SACK) is a group of enthusiasts dedicated to the enjoyment and exchange of information on old and special-interest motor vehicles, combined with the fellowship of lesbian, gay, bisexual, transgender and questioning people interested in such vehicles. SACK is the Rocky Mountain Region affiliate of Lambda Car Club International (LCCI).

Our events

Club members are encouraged to attend monthly meetings for the general membership, often held at members' homes. Other Club activities typically include museum and salvage yard tours, road trips around Colorado and surrounding states, swap meets and an occasional racing event. In SACK, we pride ourselves on several premiere annual events like Pridefest and the autumn Cruise the Colors tour, as well as trying out different events recommended by our members!

Keeping in touch

Joining SACK entitles you to receive our award-winning bimonthly electronic newsletter, *The Mobile Director*, in addition to LCCI's newsletter, *The Driveshaft*. Members also have a forum to send and receive e-mail messages about interesting vehicles and parts that have been spotted for sale, places vehicles can be stored, reputable mechanics and other items of interest for classic car owners.

What we drive

SACK members own a wide variety of classic cars and trucks, ranging from the '30s to present day. Some members own 10 or more vehicles and others have none. But all share a passion for the car culture that has become an essential part of Americana.
